FOR IMMEDIATE RELEASE

**DEKALB COUNTY DEPARTMENT OF
WATERSHED MANAGEMENT HOSTS COMMUNITY
OPEN HOUSE EVENTS**

*Citizens will learn about the Snapfinger Creek and Pole Bridge Creek
Advanced Wastewater Treatment Facilities Expansion Project*

DECATUR – DeKalb County Department of Watershed Management invites neighborhood residents and the DeKalb community to *Open House Saturdays*. The open house events are on **September 12, 2009** and **October 3, 2009** from **12:00 p.m. – 1:30 p.m.** located at 4265 Eastside Drive, Decatur, GA 30034.

The open house events will provide citizens with an opportunity to learn more about the Snapfinger Creek and Pole Bridge Creek Advanced Wastewater Treatment Facilities Expansion Project and the project's benefits to the community. Residents will be able to talk with engineers about the project. There will be fun and games for children, activities to learn about the environment, ways to protect watersheds, and future career opportunities.

For more information about the events, please call 678-537-6246.
