COUNTY HOSTS EMPLOYEE APPRECIATION PICNIC

DECATUR – CEO Burrell Ellis and DeKalb County Board of Commissioners hosted an Employee Appreciation Picnic on Saturday, November 7, 2009 at Stone Mountain Park.

“The picnic was our way of saying thank you for the hard work everyone contributed to the county over the past year. We could not serve our more than 740,000 citizens without our employees,” said CEO Ellis. “It was great to see so many people having a wonderful time at Stone Mountain Park. There was something for everyone to enjoy.”

More than 2,000 employees attended with their spouses and children to enjoy live entertainment, dancing, food, games, and music. All employees who brought their county badge received a souvenir T-shirt. County employees also had the chance to receive free flu shots provided by the DeKalb County Board of Health.

Commissioner Jeff Rader, Commissioner Kathie Gannon, Commissioner Lee May, CEO Ellis and Commissioner Connie Stokes along with friends and family at the employee picnic.
